

**A Family Medicine Without Alcohol**

Ayer's Sarsaparilla is a tonic and alterative, free from alcohol. What is a "tonic"? A medicine that imparts strength or tone; a medicine that builds up, gives vigor and power. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Ayer's Sarsaparilla does all this without stimulation. Ask your doctor if a family medicine, like Ayer's Sarsaparilla, is not vastly better without alcohol than with it.

## FITZGERALD TO RACE KING NEXT SUNDAY

The fifteen-mile footrace set for July 2 will take place as announced, with the exception that Con Hubbenette, who was expected to arrive on the Hyades and did not, will not be a competitor. Jimmie Fitzgerald, the Canadian champion, will race Soldier King for fifteen miles in a match race to start at three-thirty o'clock on Athletic Park, the race to be preceded by a ball game between the Native Sons and the Chinese.

The Native Sons are the champions of the league and the Chinese team will be made up of the Chinese players who are to stack up against Keio in a mid-week series. The match race should be a great game, for the Chinese will have an opportunity to make good and the Chinese merchants will have a chance to show their support of the team by turning out to witness the game. The Native Sons will be a fine draw and the fact that Jimmie Fitzgerald is to run will no doubt induce hundreds to go down to the park and see this world-famed runner in action.

The race will be managed by Thomas Treadway, manager of the Athletic Park, and will be conducted on the best possible lines. The prices of admission for the occasion will be a trifle higher than usual, fifty cents, thirty-five and twenty-five being the prices which will prevail.

Soldier King won't have it that Jimmie Fitzgerald has anything on him in the way of speed and hopes to be able to demonstrate his claims on Sunday next when the pair meet over the fifteen-mile course. If King makes good against Fitzgerald there is no one who will give him more credit than the writer, who is banking on Fitzgerald's record and recent performances.

That King has run well in Honolulu no one will deny; that he ran badly in the last race here, he himself will admit. The question seems to be can he come back sufficiently to take Fitzgerald's number. The writer does not think he can; King thinks he can. So there you are.

"I have got Fitzgerald where I want him," said King this morning. "He has beaten me in the past in cold weather, but I can get his goat here all right. I can go fifteen miles fast enough to beat him and will show that next Sunday."

Good for you, King; get in and win, if you can, for if you beat Fitzgerald you will heighten your already high reputation. Fitzgerald is a runner of class. He has just finished cleaning up the Australian runners and winning championships there as well as beating the New Zealand cracks. Fitzgerald is in great condition and hopes to get away with the race.

## THE STARS WIN A POOR GAME

After the Portuguese had gained a five-one lead over the Stars in the second game yesterday, there was a general breakdown and the Stars added six runs in two innings and won the game, though the Portuguese made an additional run in the ninth inning. It was a poor game, for play was loose and errors quite numerous.

Barney Joy made his first error of the season in an overthrow to second, and during the game ponderous Barney tried to bring off a steal home. The Portuguese seemed to have the game clinched up to the seventh inning, but in that spasm the Stars brought four men over the plate and led by two runs. There was not a great deal of interest in the game, for the championship had been won and neither the Stars nor the Portuguese could make and material difference in the table. The line-up and scores are:

Portuguese—Madeira, cf; Bushnell, 2b; Souza, 3b; Pedro, p; Ornellas, rf; Filzer, 1b; H. Freitas, lf; Joseph, c; M. R. Freitas, ss.

Stars—Kan Yen, ss; Ah Toon, 2b; Fernandez, 1b; L. Tin, 3b; Sumner, lf; Joy, c; Apau, rf; Sullivan, cf; W. Williams, cf; Hayes, p.

Portuguese 2 0 0 2 1 0 0 1—6  
Hits 3 1 0 1 1 0 0 2 3

Winning from the Japanese to the tune of eight-four the Native Sons of Hawaii yesterday took the championship for the first series of the 1911 Oahu Baseball season. The game which closed the series was a very ragged game, good play alternating with scrappy work. All the runs in the first innings and they were three came from errors or weak play and later in the game several very poor decisions were given by the umpires. However, the decisions had little effect on the ultimate result of the game, as the margin of success was so large.

The Stars started off in winning vein, short-stop Chillingworth making two errors and thus permitting Rice to make second bag. Then pitcher Medeiros made an error in throwing wildly to first which gave D. Desha the base and scored Rice. Knulli reached first on a bunt, helping D. Desha to make third, and on Hamauku's hit to third Desha scored, Asam

threw the ball smartly to Brito and the latter tabbed Desha when he was half a dozen feet from the plate but he was ruled safe by Umpire Chillingworth.

Dreier laid down a bunt and raced for first followed by Catcher Brito, while Knulli crossed the home plate and Hamauku got to third. Bad play on the part of the catcher. Raphael walked, but Markham struck out and closed the innings. Ordinarily a three-nothing lead is quite enough to win by, but after scoring a single in the second, Franco getting home, and after the Sons had added another in the fifth, the Japanese came through with three runs in the fifth and tied the score. Knulli failed to pick up Asam's grounder, who made the base and advanced on Louis' grounder to first. Brito handed out a hit between center and right field and Asam sped for the plate, beating center's throw to catcher. As Brito had continued on to second Raphael threw to that base but Hamauku failed to make good and the ball rolled through to center again, while Brito made a home run of his hit. Then Zerbe handed out a two-bagger, scoring on Chillingworth's fly to third which was muffed.

Those three runs put the scores level and so the tallies remained until the first of the eighth when, after two were out, Hamauku started proceedings which netted four runs before the third hand was out. Short-stop Chillingworth was slow in throwing to first after he had felled Hamauku's grounder and he also broke down in fielding Dreier's grounder. As Raphael walked, the bases were full, still two outs, Markham laid down a bunt, which was fielded by the catcher who was knocked over by Hamauku as the latter tore for the plate. Immediately behind Hamauku was Dreier and both men scored. Raphael making third sack. Lota came through with a three-bagger to the right field, which might well have been caught by Louis, and on the hit both Raphael and Markham scored. That was the end, for Rice was out, pitcher to first, in trying another bunt.

That tells the story of the game. It was not good ball, there being too much loose play for that, but the match was interesting by reason of the fact that the Japanese tied in the fifth innings after being three runs down. The new champions were received with only a fair amount of applause.

## ST. LOUIS COLLEGE APPEALS FOR \$12,000.

The members of the St. Louis Alumni and guests to a total of just over one hundred sat down to a luncheon given at the college on Saturday evening, which developed into one of the

finest functions of its kind before the toastmaster brought proceedings to a close. Editor Alfonso, of O Luso, an old St. Louis boy, was present at his first re-union ceremony and for the occasion he graced the table as toastmaster. He performed his duties admirably, introducing each speaker, and there were many, with an apt remark or two. Father James, director of the college; the members of the faculty, including brothers from Wailuku and Hilo, and a number of guests were entertained by the Association.

Most of those present addressed the gathering, the main topic being the ways and means to raise \$12,000 wherewith to provide for the construction of an addition to the college. Brother Henry spoke of the need of the additional building; he appealed to the members of the alumni association for whatever help they could give towards defraying the cost, and he then left the matter in their hands. He also told the arrangements which had been made between St. Louis and the College of Hawaii under which those students of St. Louis College who had passed the College Preparatory course could continue their studies in the College of Hawaii. Three boys had already taken advantage of this and were doing excellent work according to a letter which Dr. Gilmore had written regarding the work done by the boys.

Carlos Long, president of the Alumni Association, John C. Lane, Father Joseph, Brother Albert, of St. Mary's, Hilo; Pat Gleason, Daniel Logan, Father Valentine, L. A. Perry, Brother Lewis, Demosthenes Lycurgus, Julius Asch, Brother Matthias, J. E. Rocha, Eli Crawford, C. H. Rose, C. M. Bettin-court, Brother Charles and others all delivered short addresses in which the problem of raising the necessary funds was touched upon. All present seemed to think that the money could be raised, but it was finally decided to leave the matter in the hands of a committee composed of Father Valentine, C. Alfonso, J. C. Lane, E. Berndt, J. L. Holt, D. Logan and R. Shingle. The officers of the Alumni Association did their utmost to entertain their guests and certainly succeeded beyond all avail. The luncheon was an exceptionally good one; the music provided by Kaai Band was excellent and the singing of the Brothers in the double quartet was greatly appreciated.

## SPORT NOTES

In the two matches played in the Oahu Junior League yesterday morning, no less than twenty-five runs were scored, eighteen in one game and seven in the other. The Palamas, who have so far been undefeated, beat the Asahis, last year's champions, six-nothing; and the Muhoeks came through with a victory at the expense of the Aalas to the tune of thirteen-five. Errors were more numerous, totalling twenty-eight, of which Aalas made 12, Muhoeks 7, Asahis 5 and Palama 4. On play to date Palama leads with 1000 per cent, Asahi and Muhoek are on the 500 mark, Aala has 333 and the Chinese are still holding cyphers only.

**Kahului Race Plans.**  
Arrangements for the yacht race to Kahului on July 4th will be discussed at a meeting of the Hawaii Yacht Club this evening, when it is hoped that plans satisfactory to all the skip-pers will be put through. The Club members will meet in the offices of the Honolulu Amusement Company, Hotel street.

**Ewa Defeats Aiea.**  
Aiea suffered defeat at the hands of Ewa on Sunday last, a most surprising achievement, considering the class of ball Ewa has been putting up this season. However, Aiea is so far ahead that this defeat will not make much difference in the race for the sugar pennant. Little short of a series of miracles can prevent Aiea winning the pennant, for there are only about six matches yet to play and Aiea has a commanding lead. Ewa won on Sunday by two runs to one.

**Keio Baseball Series.**  
On the Fourth the park will be open again when the Keio series will commence. It is anticipated that a large concourse of fans will attend for this series and the park people are making extra preparations to cope with the expected demand for seats. Benches will be placed around the mauka side of the ground and a portion of the bleachers will be covered by an awning. Prices for this series will be seventy-five, fifty, thirty-five and twenty-five cents.

**Chinese Beat Young Aiea.**  
The C. Y. A. ball players trimmed Young Aiea yesterday by eleven runs to two, scoring in five of the eight innings played. The Chinese pitcher, Ah Fun, struck out twelve men, and Charlie Wong, who caught for the Chinese, handed out one three-bagger and two two-baggers during the game. K. Ho scored four times for the Chinese and Yen Chin crossed the home plate thrice.

Says the Little Paint Man.

Things around 'the place will suffer from wear and tear. And after a while they get so shabby that we feel obliged to chuck 'em away and get something new in their place. But it's a mistake and if we only all had the "Brighten Up" habit we'd keep things spick and span all the time by having a pot of paint, a tin of varnish and a brush handy. Just read this and do some "Brightening Up" right away.
